Pantone® Colour Chart

PMS Colour Matching Disclaimer: The Pantone® Matching System (PMS) is a system shared world-wide by the graphic arts industry. You may use this chart as a guide to assist you to specify a certain PMS number for your job.

You should note however, that this chart is a reference guide only and colours on your computer screen may vary based on the graphic card and monitor used in your system. To ensure a true and accurate PMS match, you should view an actual PMS colour swatch book.
